CARTE POSTALE. POSTKARTE.

By Appointment.

All Hallows, in London Wall, is one of the most interesting of the City Churches, it being situated on the site of the old Roman Wall, a portion of which may be seen in the churchyard. The present structure, probably the third on the same site, was built in 1764, by George Dance at a cost of £3,000. The pulpit is unique, being so constructed that it can only be entered from the vestry.
